TERM 2

ISSUE NO 2: 2025-2026 SY

Dear Parents and Guardians,

The Singapore International School at Le Chan, Hai Phong would like to sincerely thank all families for your continued support and active involvement throughout Term 2. Your collaboration and engagement have once again played an essential role in making this term both meaningful and successful for our school community.

Term 2 began with joyful Halloween celebrations, providing a wonderful opportunity for parents, teachers, and students to come together and share a memorable experience. The costume catwalk, spooky music, and fun-filled trick-or-treat activities created a lively atmosphere across the school and strengthened the sense of community among families and staff.

Shortly after, we celebrated Teachers' Day, a special occasion during which students expressed their appreciation and gratitude for their teachers. These heartfelt moments allowed students and teachers to connect beyond the classroom and reflect on the importance of mutual respect and dedication in learning.

Throughout the term, students also had the opportunity to participate in a variety of after-school clubs, including football, basketball, dancing, English, and cooking. These activities provided valuable opportunities for students to develop new skills, strengthen existing ones, and explore their interests in a relaxed and engaging environment. The clubs also allowed students to bond with peers and teachers beyond their homeroom classes, further bringing our learning community together.

This term also included enriching field trips for both sections of the school. Our KIK students had the opportunity to learn new skills while enjoying hands-on experiences and returning with some sweet treats. Meanwhile, the Primary students enjoyed a full day at VinWonders, filled with engaging activities that encouraged teamwork, bonding, and joyful learning beyond the classroom environment.

Following an intensive assessment period, our students enjoyed a well-deserved Christmas and New Year holiday. Just before the break, we proudly hosted our annual Christmas Fair, which was a great success. Families and community members came together to enjoy craft activities, games, food stalls, and charity shopping. Our students did a wonderful job during their performances, confidently showcasing their talents and bringing great joy to the audience. We are delighted to share that all proceeds from the fair, totaling 13,100,000 VND, were donated to Caritas, reflecting our shared commitment to compassion and community service.

As Term 2 now comes to an end, students have completed their end-of-unit reviews and final assessments. With renewed energy and confidence, they are well prepared and motivated for the second half of the academic year. We look forward to continuing this journey of learning and growth together.

Halloween 2025

Our Halloween celebration was a joyful and memorable event for our school community. Students, families, and teachers came together to enjoy creative costumes, spooky music, and a fun trick-or-treat experience around the school. It was a wonderful opportunity to share smiles, laughter, and special moments that strengthened our sense of community.

Christmas Fair

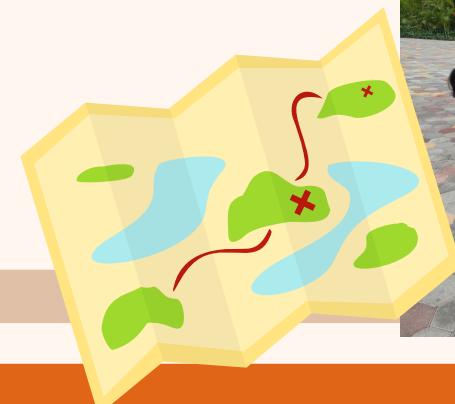

Our annual Christmas Fair was a festive celebration filled with creativity, community spirit, and togetherness. Families, students, and teachers enjoyed student performances, craft activities, games, and food stalls, coming together as a vibrant learning community. The event created meaningful memories while reflecting our shared commitment to kindness and giving through our charity initiative.

Field Trips

Our field trips provided students from both sections with valuable opportunities to learn beyond the classroom. Through hands-on experiences, exploration, and shared activities, students strengthened their skills, built connections, and created meaningful memories together.

SIS In the classroom

$$\begin{matrix} 1 \\ + \\ 8 \\ + \\ 5 \\ + \\ 1 \\ + \\ 9 \\ 3 \\ = \\ 6 \\ \times \\ 5 \end{matrix}$$

- Throughout Term 2, our SIS Primary students engaged in a wide range of meaningful learning experiences across the curriculum. These classroom moments reflect students' curiosity, collaboration, and growing independence, as well as the supportive learning environment created by our teachers each day.

SIS @LECHAN

KIK In the classroom

- In our KIK Early Years classrooms, learning comes to life through play, exploration, and meaningful interactions. These moments capture our youngest learners developing confidence, curiosity, and independence within a nurturing and engaging environment.
