MESSAGE FROM THE HEAD TEACHER

Dear SIS Parents, Caregivers, Family and Friends

We had another very successful and fruitful learning month during October, the highlights of which were:

1. A wonderful Halloween event attended by over 50 parents.
2. Successful term 1 assessments, reports and Parent-Teacher meetings to discuss progress of our students.
3. Our first excursions for both KIK and Primary classes – KIK visited Pizza 4P's whilst primary enjoyed a trip to some historic sites in Hai Phong.

We also successfully completed our 5 catch-up Saturdays to make up for days missed during Typhoon Yagi. I would like to thank students, teachers and parents for being fully engaged during these days.

At a special assembly on 4 November we handed out awards to some special recipients – Student of the Month for primary classes, as well as special awards for Halloween. Well done to all our worthy recipients.

Everyday our students continue to arrive with broad smiles, enthusiastic and willing to learn and grow. We continue to thank all our students, teachers, co-teachers and support staff for their dedication and hard work.

Term 2 will be a busy term, and some of the activities planned include:

1. Halloween
2. Teachers Day
3. A fire drill – 15 November
4. MOET end semester exams for Year 1-3 – 10-13 December
5. English exams for Year 2-3 – 13-17 December
6. Christmas Fair – 14 December, 09h00-11h00
7. Winter holidays – starting 21 December.

Please see on later pages some photos of our recent events, including excursions and Halloween.

Wishing everyone joy and happiness for the remainder of the 2024 calendar year. Take care and stay safe.

Sincerely,
Mark Watling - Head Teacher

HOV PRIMARY SCHOOL REPORT

Dear Valued Parents,

Singapore International School Le Chan-Hai Phong has concluded the October Study and Training Program with success and good results. The students enjoyed the Term 1 break and came to school with happy spirits. The teachers and students are implementing the term 2 program seriously and effectively. During October the school successfully organized 02 major events:

1. SIS primary students went on a field trip, integrating local historical and traditional education in Hong Bang and Do Son districts, safely and effectively. Students felt and drew many beautiful pictures of seascapes with rich content.
2. Halloween Festival 2024, with all parents and students attending. The ceremony left many good impressions on each of us and students have a better understanding of the origins and traditional customs of Halloween. Not only were they able to dress up in their favorite unique styles, they were also confident in expressing themselves in many diverse activities of the ceremony. The students were excellent. We commended the costumes and excellent performances of 02 students from SIS and 02 students from KIK.

Also during October, the title of Excellent Student was awarded to 3 outstanding students from the three primary classes.

We hope November will bring more good results.

Thank you very much!
