HOV PRIMARY SCHOOL REPORT

Dear Parents,

As November comes to a close, we are delighted to share some wonderful news!

First and foremost, we are proud to announce that two of our students, **Samata Đan Dương (Year 2)** and **Allan Hoàng (Year 1)**, have won **Third Prize at the National Level** in the "Draw Your Dreams" competition organized by *Tiền Phong Newspaper* and *Cathay Lite Company*.

In addition to maintaining a serious and effective teaching and learning environment, our school recently collaborated with the **Fire Prevention and Rescue Police of Lê Chân District** to conduct training sessions and provide essential fire prevention knowledge and skills to all staff, teachers, and students—an initiative we are thrilled about!

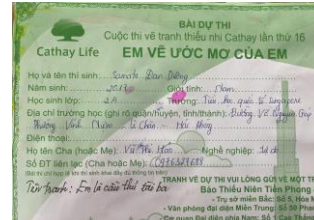

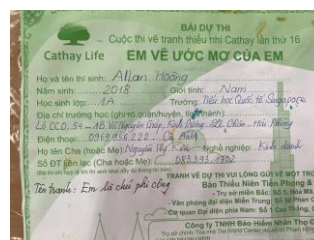

We are deeply touched and grateful for the warm support and encouragement from parents and students on the occasion of **Vietnamese Teachers' Day (20 November)**. The heartfelt flowers, messages, and wishes of respect and love truly mean the world to us. On this occasion, we also held a celebration and extended our heartfelt gratitude to the foreign teachers working in Vietnam.

Looking ahead to December, we will continue to uphold rigorous teaching and educational activities while preparing students for the **Quality Assessment (First Semester Exams)**, scheduled from **9 to 12 December 2024**. We will also encourage and support students to participate in intellectual competitions and contests organized by educational and other institutions.

We hope parents will continue to accompany and support us in these efforts.

Thank you very much!
